The elections

Why the elections?

As a representative body of an institution in a democratic society it is important to ensure turnover in the leadership.

Why vote?

Voting is a civic duty, the other side of the right to have institutionalized representation.

When do we vote?

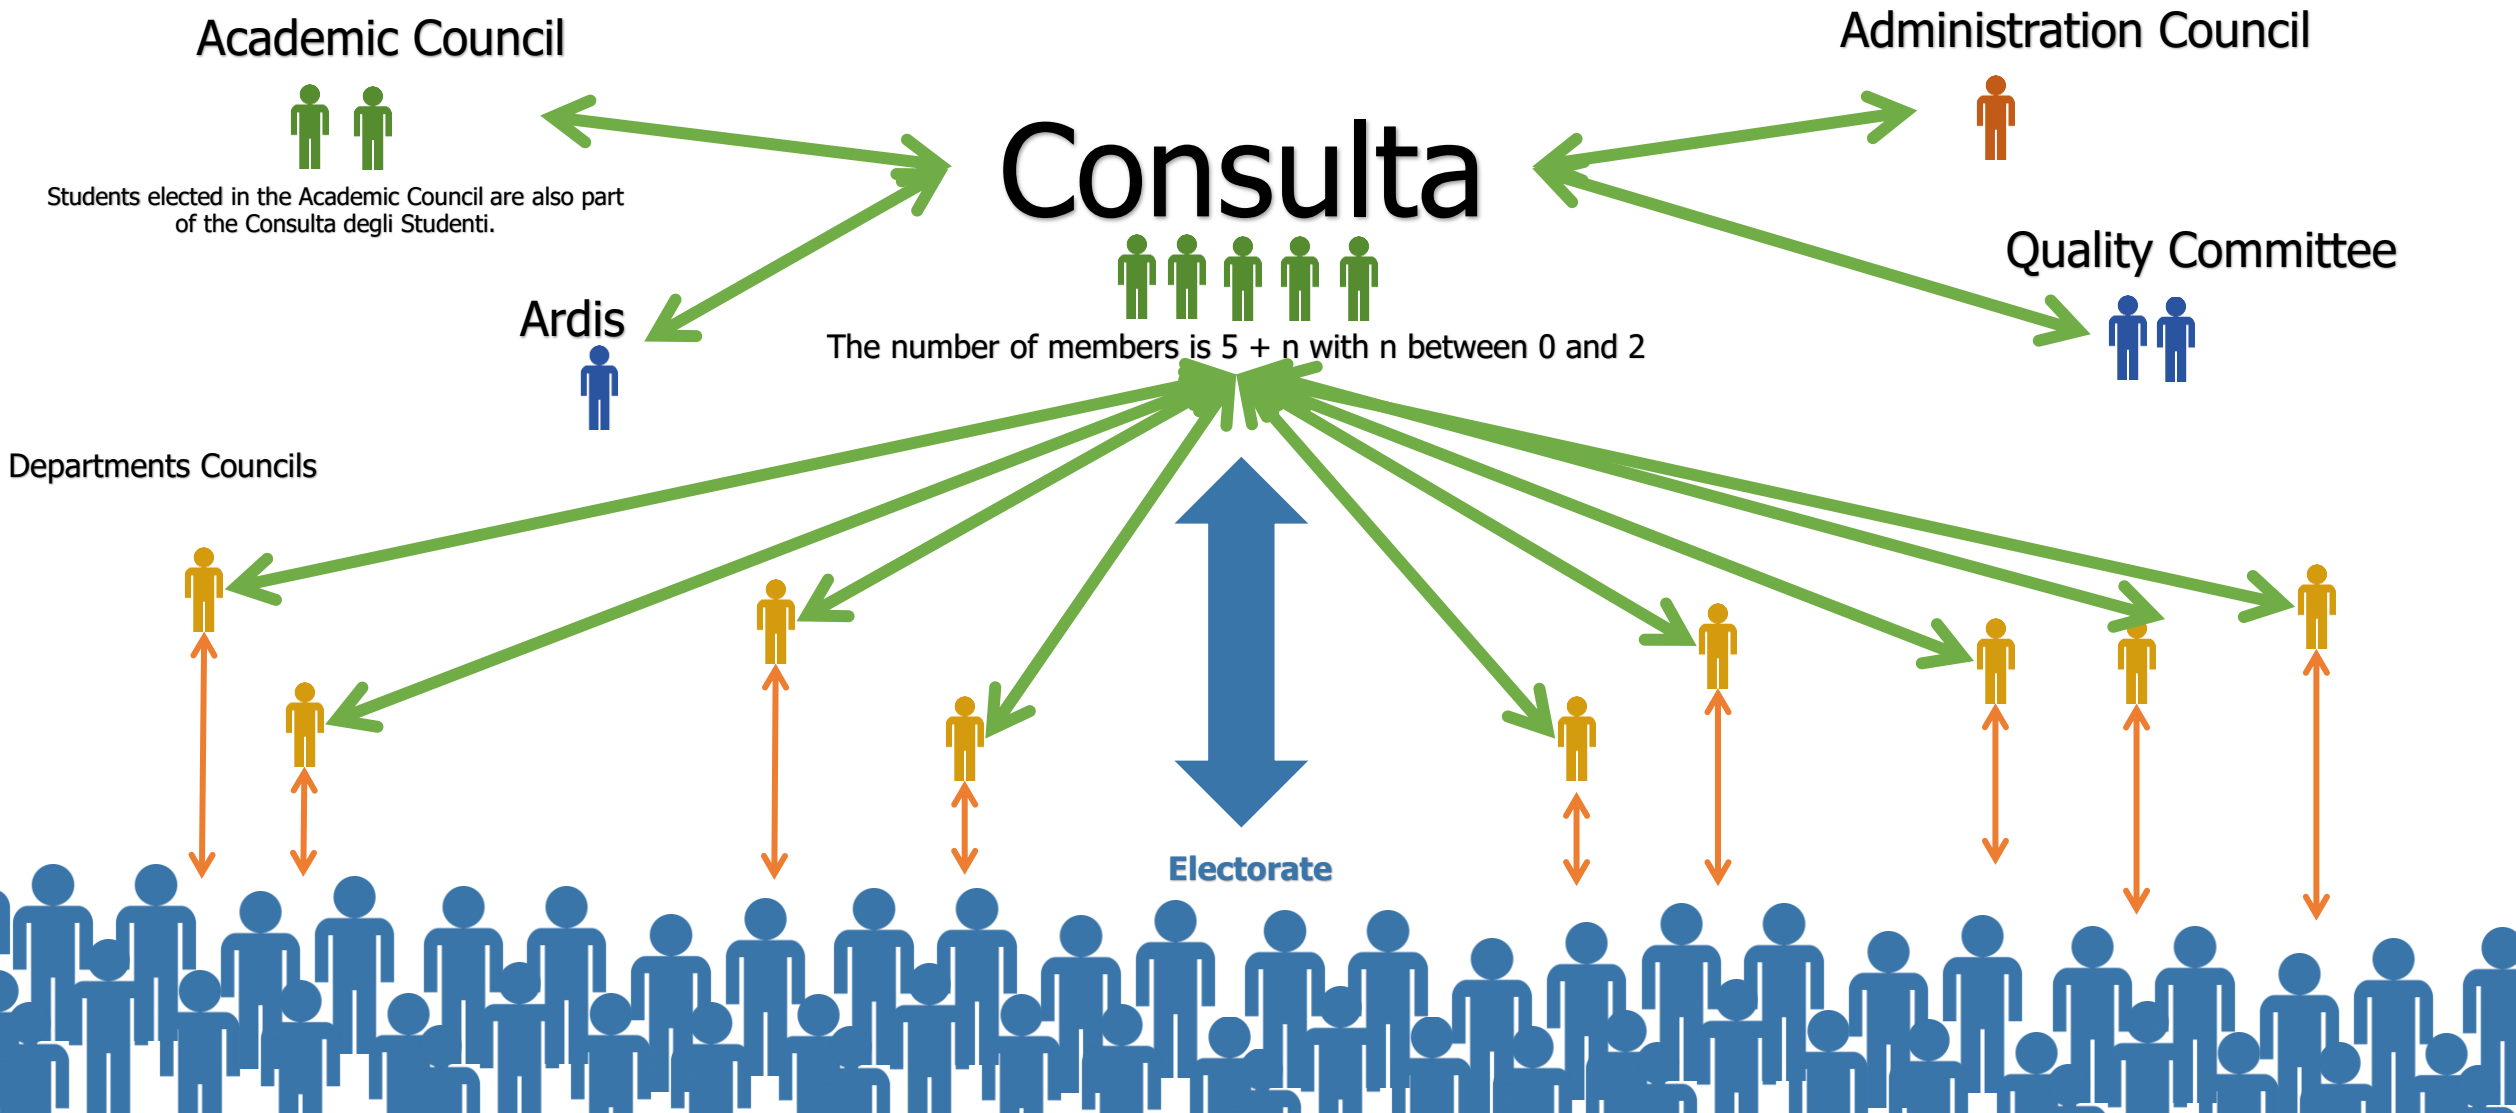

Elections are normally held every three years.

How many people are elected?

Based on the number of "G. Tartini" Conservatory students, the Council is made up of 5 members. If the two representatives in the Academic Council are not already members of the Consulta degli Studenti, they become part of it.
