Svitlana Lukovska is the Head of the Department of Concert Mastery of Kyiv's Tchaikovsky National Music Academy of Ukraine with 28 years of work experience in its opera studio as a vocal coach and a participant of more than 30 performances organized by it, a member of the jury of 6 concert mastery contests. She participated in the 2004 "21st Century Art" international contest and has prepared 9 students that went on to become laureates of international contests in their own right. Her graduates work in various leading musical schools and higher education institutions of Ukraine.
